How does it work?

- Arrival:** When you arrive at the car park, the barrier will open automatically once your number plate has been scanned and matches it to the vehicle registration that you entered when pre-booking. You don't have to do anything else.
- Departure:** When you leave the parking facility, the barrier will open automatically after scanning your number plate.

If you park over your pre-booking period, the additional parking cost will be charged to your debit/credit card.

Note: If you have any problems entering or exiting the car park, press and hold the help button on the entrance or exit terminal. A member of our customer service team will be available to help you 24/7.
